comprised of four U.S. producers of HFC blends: Arkema Inc.; The Chemours Company FC LLC; Honeywell International Inc.; and Mexichem Fluor Inc.³ The individual members of the Coalition claimed interested party status under section 771(9)(C) as domestic producers and, collectively, under section 771(9)(E) of the Act as a trade or business association a majority of whose members manufacture, produce, or wholesale a domestic like product in the United States.⁴

On August 2, 2021, Commerce received adequate substantive responses to the notice of initiation from the Coalition within the 30-day deadline specified in 19 CFR 351.218(d)(3).⁵ We received no substantive response from respondent interested parties with respect to the order covered by this sunset review.
